Project Recap

Social Buzz is a fast-growing technology unicorn that need to adapt quickly to its global scale

Accenture has begun a 3-month POC focusing on these tasks:

- Audit of big data practices.
- IPO preparation recommendations.
- Analysis of content categories for the top 5 most popular categories pf content.

Problem

Over 100000 post per day

36,500,000 pieces of content per year!

Summary

ANALYSIS

Animals and science are the two popular categories of content, showing that people enjoy “real-life” and “factual” content the most.

INSIGHT

Food is a common theme with the top 5 categories with “Healthy Eating” ranking the highest. This may give an indication to the audience within your user base. You could use this insight to create a campaign and work with healthy eating brands to boost user engagement.

NEXT STEP

This ad-hoc analysis is insightful, but it’s time to take this analysis into large scale production for real-time understanding of your business. We can show you how to do this.

Thank you!
